FUTURE FEATURES

In a few months, **new features will be available on the app** we're currently working on:

O Targeted Advertising

• You'll be able to place ads in the platform, just *choose your target audience* and let us handle the distribution.

🚀 Profile Promotion

• Want *more visibility*? You'll have the option to *promote your profile* so it appears in suggested user lists on the *Home* page.

II Profile Insights

• Get access to demographic statistics about the people visiting your profile. User privacy is always respected and no personal data will be shown.

This is all moving forward—enjoy the journey with us!

SUBSCRIPTIONS

The app is completely free. Once you register, you'll automatically get access to Plan I. From there, you can choose the plan that best fits your needs.

- Plan I (Free): Basic access to searches, complete your profile, get reviews.
- premium filters.
- roles, unlimited storage, and group collaboration.

You can switch your subscription at any time. Annual plans offer an approximate 15% discount.

Note: The prices shown in this document are for illustrative purposes only and do not reflect the app's actual pricing.

• Plan S: Unlock advanced search, direct contact,

• Plan 360: Full project management tools, team
